---

RELEVANT SKILLS

Coursework: Introduction to Programming, AP Computer Science Principles (4), AP Statistics (5), AP Calculus AB (5)

Software: Python, HTML/CSS, JavaScript, PyCharm, VSCode, Google Colab, Google Suite

Personal: Leadership, Problem-solving, Communication, Vietnamese (native), English (IELTS: 7.5, SAT: 1370)

PROJECTS

Rock Paper Scissors | Github
- Created an interactive text-based Python game in PyCharm, employing if-else statements, while loops, and the random module for gameplay mechanics
- Used the game to facilitate a social event for a tutoring center, Hands For Hands

Personal Website | Github
- Developed a responsive personal website using HTML, CSS, and JavaScript in VSCode
- Implemented JavaScript functions to ensure the responsiveness of the website
- Managed to include various data types, including objects and array
- Used the website to connect with others while demonstrating proficiency in front-end development

---

WORK EXPERIENCE

Hands For Hands, Vietnam | Facebook   04/2023 - Present
